a cappella Musical Dinner

Monday, 25 March 2019
at The Hong Kong Country Club

The a cappella Musical Dinner is an annual fundraising event of the Federation. All proceeds go towards the Federation's continuing provision of diversified and professional services. This year, the funds will support the Federation's music education programme for underprivileged children and youth.

Every year, various outstanding youth a cappella groups from around the world are invited to perform at the Dinner. Together with the HKFYG's very own Hong Kong Melody Makers, they share their talent and musicality to create an evening of great fun and joy.

As part of the HKFYG Hong Kong International a cappella Festival, the vocal talents also give concerts and workshops at schools and all across the city from March to April. They will also join hands with similar local ensembles, together sharing their superb vocal mastery and electrifying harmonies all over the festival.

The Hong Kong Federation of Youth Groups (HKFYG) was founded in 1960 and is now the city's largest youth service organisation. For the last 58 years, it has been committed to serving the youth of Hong Kong through the provision of a variety of services, activities and programmes, which have an annual attendance of six million. We encourage youth to reach their fullest potential and with community support, we now have over 70 service units. We also have 12 core services, which include the Youth S.P.O.Ts, M21 Multimedia Services, Employment Services,

Youth at Risk Services, Counselling Services, Parenting Services, Leadership Training, Volunteer Services, Education Services, Creativity Education and Youth Exchange, Leisure, Cultural and Sports Services, and Research and Publications. We encourage young people to grow into responsible and dutiful citizens and we now have over 200,000 registered volunteers and 450,000 registered members. We believe that our motto **HKFYG • Here for You** reaffirms our commitment and dedication to the young people of Hong Kong.

Fundraising Cause: Supporting music education programme for underprivileged children and youth

Music cultivates both the mind and soul. However, professional music lessons and musical instruments are often unaffordable for low-income families, depriving their children of the wonderful opportunities to learn to play music and develop themselves.

The Federation is dedicated to promote music among youth regardless of their background. In Tin Shui Wai alone, for example, we have organized different kinds of musical courses and performance showcases, either free-of-charge or at low fees, in order to provide underprivileged youth with equal learning opportunities. Since 2014, over 100 young people have been supported to learn music and art with the help of scholarships.

The demand for music-learning is ever rising. Without public support and partnership, we would not be able to assist all those young people who require our services. We therefore humbly request your generous and continued support. Please help us help them.
