Opening Doors: Employment Opportunities for young people with Special Educational Needs

This artwork is done by Justin, one of participants of the Federation's "FARMily" programme which enabled him to experience farming, learn work skills and self-care.

Justin has Autism Spectrum Disorder (ASD) and he and his parents do worry about his future. However, as he said, "Thanks to HKFYG and many partners for recognising my different talents giving me internship opportunities to gain different exposures." In describing his drawing, he said, "I enjoyed working at the farm where I also learnt how to make coffee."

**We look forward to seeing you on Monday, 8 April 2024
